

Good Morning PGCC

March 20, 2020

*The LORD is my light and my salvation-- **whom shall I fear?**
The LORD is the stronghold of my life-- **of whom shall I be afraid?**
Psalm 27:1*

Last night, California's governor issued a statewide order to "stay at home," unless it is essential to go out (to get food, go to the Dr., or work that cannot be done from home are examples of essential reasons to go out). This order is in place until further notice, and follows a trend happening across the country and the world. We follow this order, not out of fear, but out of love. The virus cannot continue to spread if there is no one available to pass it on to. So, we stay home as a way to love our neighbor.

DRIVE-THRU CHURCH IS CANCELLED

Yesterday we shared an experiment we were going to try this Sunday, where you could drive up to the church and talk to us through the car window. That was yesterday. The governor's announcement has caused us to drop the idea.

YOU CAN STILL DROP OFF FOOD

We will still collect food for the St. Vincent DePaul food bank. There will be a large grey tub outside the church doors under the portico on the westside of the church. You can drop off your food there, and someone will come pick it up each day.

CHURCH OFFICE WILL BE CLOSED

but you can still call, and we are still at work

The church office will not be open for you to stop by to drop things off or pick things up. However, we will be monitoring the phones and we will be working, probably from home, to stay connected with you, to support and care for you, and to help you continue to grow in your relationship with Jesus. We will continue to create and send you videos, devotions and encouragement.

SHARE YOUR ART

The picture of the sea gull at peace with waves crashing around it was taken by Pastor Phil. If you have a picture you have taken or a piece of art you have created, send it to us and we will share it in these Good Morning emails.

A DEVOTIONAL THOUGHT by Max Lucado

The love of a parent for a child is a mighty force. Consider the couple with their new-born child. The infant offers her parents absolutely nothing. No money. No skill. No words of wisdom. To see an infant lying in a bassinet is to see utter helplessness. What is there to love?

Whatever it is, mom and dad find it. Just look at mom's face as she nurses her baby. Just watch dad's eyes as he cradles the child. And just try to harm or speak evil of the infant. If you do, you'll encounter a mighty strength, for the love of a parent is a mighty force.

Jesus once asked, if we humans who are sinful have such a love, how much more does God, the sinless and selfless Father, love us?
